5. Procedure

A. Clothing Allowance

1. Clothing allowance may be paid, when funding is available, to eligible members at a reasonable rate determined by the Sheriff for maintenance of required clothing and/or uniforms.
2. **The allowance shall be disbursed on a semi-annual basis.**

B. Overtime

1. For sworn agency members, prior to working overtime, authorization must be received from a supervisor of higher rank unless exempted by the Bureau Chief. For civilian agency members, authorization must be received from a direct supervisor in the unit in which they work, or in the case of a civilian unit manager, from a Division Commander or higher rank.

2. Eligible employees may, at the discretion of the respective Division Commander, be compensated under the following circumstances:
 - a. Approved hours beyond a normally scheduled workday;
 - b. Required court appearance when on leave or regular day off (RDO). Deputies will not be permitted to schedule leave on known court dates; and
 - c. Travel time above and beyond the normal workday commute to attend Agency mandated training which takes place outside of Harford County.
3. An employee may work overtime/compensatory accrual while in a paid leave status, as long as the leave (annual, personal, compensatory, administrative, or sick), does not create the need for the overtime/compensatory accrual opportunity. A member:
 - a. May not work overtime/compensatory accrual during their regularly scheduled shift (i.e., scheduled hours) while on leave without prior approval from their Division Commander and the Division Commander of where the overtime/compensatory accrual is to be worked if they are not one and the same.
 - b. Cannot work grant related overtime while on leave during their regularly scheduled hours. In order to work grant overtime, the deputy must have already worked their scheduled shift, be on their RDO, or work a block of hours outside their regularly scheduled shift.
 - c. Can only work overtime/compensatory accrual while on sick leave if the sick leave was for preapproved medical/dental appointments (per [PER 1002](#) Leave and Modified Duty) and is not during their regularly scheduled shift, or if the sick leave was to provide care to an immediate family member (per [PER 1002](#) Leave and Modified Duty) and is not during their regularly scheduled shift.
4. Members shall not be eligible for overtime compensation while on Family Medical Leave.
5. While on modified duty, all overtime must be pre-approved by the Division Commander and ensure it falls within the guidelines of the member's modified duty status.
6. While on any type of leave, it is the responsibility of the member to notify the requesting supervisor of his status prior to complying with any request for overtime assignment.
7. Overtime shall be paid for work authorized beyond the full-time employee's normal duty hours at the rate of time and one-half.
8. Any member called to duty in an overtime capacity shall be entitled to a minimum of two hours of overtime, unless the member commences working overtime continuously prior to, or upon completion of, the member's regular tour of duty. If the member's overtime is continuous with his tour of duty, the member shall be compensated in overtime for only those hours that the member continues to work.
9. Notwithstanding court appearances, holidays and special assignments, members shall not work more than 20 hours overtime per week. Exceptions shall be approved by the Division Commander.
10. Members shall not work in excess of two consecutive shifts.

11. A member who works 18 consecutive hours shall have a minimum of six hours rest prior to his next duty assignment, including supplemental, secondary, and reimbursement details.
12. Members obligated to appear in court cases that arose from prior employment with other agencies or employers will have their schedules flexed when possible to enable on-duty appearance.

C. Supplemental Overtime (reimbursable projects)

1. Deputies may work Supplemental Law Enforcement Services, on overtime status, in excess of their usual duty assignment.
2. Members who work supplemental overtime (reimbursement) shall utilize the overtime code associated with the project/program and write "REIMBURSEMENT" in the Alternate Duty Assignment section on the overtime slip.

D. Shift Differential

1. Shall be calculated on a weekly basis (Saturday to Friday).
2. Members must work in excess of 50% of their hours on a given shift in a pay period to qualify for payment of shift differential.
3. Shift differential shall be paid to members at the following rate:
 - a. No shift differential – 6am to 2pm
 - b. 7% shift differential – 2pm to 10pm
 - c. 10% shift differential – 10pm to 6am

E. Subsistence Differential

1. Special allowances, within budgetary limitations, may be granted by the Sheriff for employees involved in duties characterized by unusual requirements or working conditions. A master list of personnel receiving this allowance will be maintained by the Budget Director.
2. Personnel holding the rank of Sergeant and below assigned to specific Divisions or Units, as designated by the Sheriff, will receive a 7% pay differential. Lieutenants in those units will receive a 5% differential.

F. Mileage Reimbursement

1. When a member uses his personal vehicle for authorized Sheriff's Office business, he shall be reimbursed at a standard mileage rate as set forth in Harford County Government policy, which is adopted by the Sheriff, per Internal Revenue Service (IRS) guidelines.
2. Mileage reimbursement is meant to cover only those miles incurred above and beyond the member's normal commute to his place of business. For example, if the normal commuting round trip is 20 miles and the employee goes on a trip that covers 75 miles, only the incremental 55 miles are reimbursable.

3. The number of days should also be considered. If the 75 miles in the above example were incurred over three business days, then the incremental reimbursable miles would be 15.
4. Reimbursement requests shall indicate the points of travel and the miles eligible for reimbursement.
5. Agency vehicles shall be utilized whenever possible.
6. If an Agency vehicle is available and the member elects to use his personal vehicle, he will not receive any mileage reimbursement.
7. All mileage reimbursement requests must be approved by the Division Commander.

6. Summary of Changes

- A. On 10/31/24 revised text under Section 5. Procedures: A.2. to reflect clothing allowance is the same amount regardless of duty assignment.
