5. Procedures

A. Special Designations

1. The Office of Juvenile Justice and Delinquency Prevention Act of 2002 (“OJJDP Act of 2002”) provides that juveniles who are charged with or have committed an offense that would not be criminal if committed by an adult will not be placed in secure detention facilities or secure correctional facilities, excluding:
 - a. Juveniles who are charged with or who have committed a violation of 18 U.S. Code § 922(x)(2), Unlawful Acts, or of a similar state law;
 - b. Juveniles who are charged with or who have committed a violation of a valid court order; and
 - c. Juveniles who are held in accordance with the Interstate Compact on Juveniles as enacted by the State.
2. In addition, the OJJDP Act of 2002 states that “juveniles who are not charged with any offense and who are aliens or alleged to be dependent, neglected, or abused will not be placed in secure detention facilities or secure correctional facilities.”
 - a. Similarly, juveniles alleged to be or found to be delinquent or juveniles within the purview of the above special designation will not be detained or confined in any institution in which they have contact with adult inmates; and state policy requires that individuals who work with both such juveniles and such adult inmates, including collocated facilities, have been trained and certified to work with juveniles.
3. Prohibition on Secure Holding
 - a. Adult jails and lockups will not hold status offenders, non-offenders, alien juveniles, or civil-type offenders in a secure manner at any time.
 - b. These juveniles may be detained in a non-secure area of an adult jail or lockup for processing while awaiting transportation to a non-secure shelter care facility or a juvenile detention center or while waiting processing or release; or awaiting release to parent, guardian or custodian (Department of Services, Office of Juvenile Services and Delinquency Prevention Guidance Manual).

4. Six-Hour Hold Exception

- a. The OJJDP Act allows for a six-hour grace period that permits the secure detention in an adult jail or lockup of those juveniles accused of committing criminal-type offenses (i.e., offenses that would be a criminal offense if committed by an adult).
- b. Under this exception, the juvenile will not have sight or sound contact with adult inmates during the time the juvenile is in a secure custody status in the adult jail or lockup.

5. Jail Removal

- a. No juvenile will be detained or confined in any jail or lockup for adults. Exceptions to this requirement are:
 - i. A six hour hold exception for accused delinquent non-status offenders who are detained in such jail or lock-up for a period not to exceed six hours;
 - ii. For processing or release;
 - iii. While awaiting transfer to a juvenile facility; or
 - iv. In which period such juveniles make a court appearance; and
 - v. Only if such juveniles do not have contact with adult inmates and only if there is in effect in the State, a policy that requires that individuals who work with both such juveniles and such adult inmates, including collocated facilities, have been trained and certified to work with juveniles.

6. Juveniles Waived to or Transferred to Criminal Court

- a. Juveniles who are accused of non-status offenses, who are awaiting an initial court appearance that will occur within 48 hours after being taken into custody (excluding Saturdays, Sundays, and legal holidays), and who are detained in a jail or lockup in which:
 - i. Such juveniles do not have contact with adult inmates and there is in effect, in the State, a policy that requires that individuals who work with both such juveniles and such adult inmates, including collocated facilities, have been trained and certified to work with juveniles; or
 - ii. Is located outside a metropolitan statistical area (as defined by the Office of Management and Budget) and has no existing acceptable alternative placement available; or
 - iii. Is located where conditions of distance to be traveled or the lack of highway, road, or transportation do not allow for court appearances within 48 hours (excluding Saturdays, Sundays, and legal holidays), so that a brief (not to exceed 48 hours) delay is excusable; or

- iv. Is located where conditions of safety exist (such as severely adverse, life-threatening weather conditions that do not allow for reasonably safe travel), in which case the time for appearance may be delayed until 24 hours after the time that such conditions allow for reasonably safe travel.

B. Jurisdiction

1. Juvenile Court has exclusive original jurisdiction over:

- a. A child:
 - i. Who is at least 13 years old alleged to be delinquent; or

9. A deputy will fingerprint and photograph a juvenile if taken into physical custody as a result of an arrest.
10. Whenever a juvenile is in custody and brought into any Agency facility regarding a delinquent act the deputy will ensure the Juvenile Contact Module is completed.

 - a. Parent/Guardian;
 - b. Individual with permission from the parent/guardian (note this in narrative); or

 - a. When completing the Juvenile Contact Module deputies will use the report number from the incident which caused the investigation.

- b. If a juvenile is brought into the facility, placed in a non-secured room, and is not being charged, no log entry and no entry is required in the Juvenile Contact Module. However, this should be noted in the Incident Report in the RMS.

 - i. Retained by the parent, guardian, or custodian of the child; or

 - b. The questions posed to the child by the deputy are limited to those questions reasonably necessary to obtain the information necessary to protect against the threat to public safety.
7. Unless it is impossible, impracticable, or unsafe to do so, an interrogation conducted under 5.E.6. will be recorded.

 - c. A child being interrogated under this subsection will be informed if the interrogation is being recorded.
8. There is a rebuttable presumption that a statement made by a child during a custodial interrogation is inadmissible in a delinquency proceeding or a criminal prosecution against that child if a deputy willfully failed to comply with the requirements of this section.
- a. The State may overcome the presumption by showing, by clear and convincing evidence, that the statement was made knowingly, intelligently, and voluntarily.

- b. This section may not be construed to render a statement by that child inadmissible in a proceeding against another individual.

F. Parent Refusal

1. Should the parent, guardian, or legal custodian refuse to retrieve the juvenile from the deputy's custody when requested to do so, they should be informed that they could be charged with a crime under the Family Law § 10-219 "Desertion of a Minor Child" and Courts and Judicial Proceedings Article § 3-831 "Contributing to Certain Conditions of a Minor Child."

 - a. CINS complaints are to be filed with the local Harford County DJS Intake Office either electronically or as a paper referral.

H. Mandatory Notification
